Marjorie S. Franklin, Conference President

O Come let us adore him, Christ the Lord! Greetings to all. In just a few more days we will be celebrating one of the most important day of the year, the birth of Jesus Christ, our Lord and Savior. Without the birth of Jesus, this entire world would be lost. So many people to this day only associate Christmas with Santa Claus, presents and wild parties. If they only knew!! It is my prayer that we as Christians will help enlighten the world to the true meaning of Christmas.

We have had a very successful year in UMW, from the celebration of our Annual UMW Sunday to our Social Action event, Mission U and our Annual Meeting. Many churches have also hosted Mission studies and other UMW projects and activities during the year. As this year comes to a close and the new year begins, let me personally thank each of you for all that you have done this year and the part you have played in making our Louisiana Conference UMW the best that it can be! None of this would be possible without U!

Please keep in mind as we start the new year of 2017 that one of our main focus is to make sure that all of our UMW ladies are registered in the National Office. This is a new initiative as part of our National Census report. We will need everyone to get on board and make this happen. We want all of our units and members to be accounted for. Margie Manuel addressed this and did some training with myself and the District presidents at our DELT training in October.

Any questions concerning this can be directed to Margie who is our Conference Membership, Nurture and Outreach chairperson.

I want to take the time to wish all of you a very Merry Christmas and a safe, happy New Year. Remember that Jesus is the reason for the season! Be blessed.

Merry Christmas

Marjorie S. Franklin

Louisiana Conference UMW President
